

University of South Alabama School of Computing  
Computer Ownership Program  
Revised 8/25/2022

<b>Component</b> <b>Processor</b>	<b>Specification</b> Intel i5, i7, or i9 processors (8 <sup>th</sup> generation or newer) which support
<b>RAM</b>	<b>8</b> or greater HDD (recommended) or additional external storage if using an SSD

- E-mail client (Outlook Express, Outlook, or

**Student Loans**

Meet with a counselor in Financial Aid to discuss your options.

**University Credit Union**

The University Credit Union will make loans for computer purchases upon credit approval. Contact the University Credit Union for current plans and rates.

**Vendor Credit**

Many computer vendors offer lease and credit terms when purchasing their equipment. Contact your vendor directly for more information.

**Other sources**

Don't overlook your "home town" bank as a source for personal loans.
